Sir:

I, Craig A. Slavin, represent that I am an attorney of record in the present application and that I am authorized to sign on behalf of the assignee, EP Technologies, Inc., a wholly owned subsidiary of Boston Scientific Corporation, and the owner of all of the interest in the above-identified application. I hereby certify that all statements made herein are made by and for the assignee, EP Technologies, Inc. The assignment was recorded on December 21, 1993, on Reel 6866, Frame 0620.

EP Technologies, Inc. hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory period of United States Patent No. 6,241,754, as presently shortened by any terminal disclaimer, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No.
